Reviews

Alice Doe

★★★★★

I chose Wolfox because I heard that it does not burden resources. I thought this would affect protection, but it did not!

Jhon Ballen

★★★★★

Protection seems to me to be equal if not superior to that offered by competitors. And execution occurs quietly in the background.

A great product for everyone. Wolfox is easy to use and offers all-around protection. I like the immediacy with which updates are made and errors corrected.

The most awarded antivirus

In 2021, Wolfox participated in 75 independent tests, achieving 57 firsts.
